Dear Phaebe.

We all missed you at the
reunion Phaebe. I wish you had
decided to come. Adrienne asked
me if I would write my im-
pressions to you. I thought - it
could be a very ticklish
thing to do especially if you
print it without reservation
and editing! Another thing -
I should have done it immedi-
ately and I didn't have a
chance.

~~Anyway~~ here is a resume of

the way it happened to me!

After Patty's two preliminary letters Shad a letter from Dorothy Fossythe (Ma.) And since Brownie and Shad decided already to go, we made reservations for me 3 at the Park Plaza. I hadn't heard from or seen Dorothy since I visited her and her family in Wpg in '39. Outside of the fact that she has put on a little weight (she said 30lbs but it's not unbecoming at all) she is just the same. Happy and bubbling and very glad to be there. She must have

married a man just exactly
right for her. Kay Marsh (Gueph)
and Fran ^(Dyersound) Christie who hadn't
seen or contacted each other
for ages were also at the
Plaza ^{together}. Kay is exactly the
same even to the weight
wt, and colour of hair. Fran
is the same - still 'legs' out
(not 'toes' out) as she says.

When Laurie and I walked
into the Quild Sun for lunch
- Patty came forward to meet
us. She looked lovely - much
thinner and beautifully dressed.
Then we had to make the rounds
to meet everyone and Shad

a number of downfalls.
Dorothy Cameron - very chic
and assured and gray.
Adrienne - taller than I
remembered and hair going
gray and staring at
everything. Ruth Corner
very sweetly dressed and
happy. I think however if
she'd been in Vancouver - not
in Aurora, she wouldn't have
come any more than you,
but I'm glad she did, and
I tried hard to get her
'Quash' at Adrienne's dinner
but couldn't. She didn't
come on Sunday and

3.

Neither did Sean Sutton who also lives in Aurora. Sean is the same only more so and I gather she's into everything and is quite a singer.

Carol Hendry ~~was~~ threw me - her cheeks are rosy red - she's put on weight and adores her life in N.S. Fran McConnell is the only one who is married and has no children. Instead she has taken up art and is doing very well. There was quite a change in Shirley Hustiman - although physically she has

changed as little as anyone.
But she seems capable and
sure of herself, very nicely
dressed and the old smile
ever present. Kay Reed is
another one who is the same
physically, then & blood, and
quite a character and a very
enjoyable one.

Just before we sat down
to lunch a gorgeous-looking
gal in a light blue knitted suit
and big white straw hat
came in. Didn't recognize

at all! She flew all the way from D.C. and evidently was intent on having a good time.

The others can say what they like but say Marsh put it best when she stood in front of this big grinning woman and on finally recognizing Mary Fraser said "Something has been added!"

Every other 'girl' fell into position as to face, figure & speech except her, and became the gals we knew 25 years ago. Otherwise she's the same Mary - grinning and running things very

efficiently.

Selia Wright has a beautiful
new home with all the latest
improvements. She's just the
same physically - has two
adopted children - boy and
girl, and she looks very
smart.

Skennie I know ^{and Norman} a lot about
of course, since she ~~is~~ ^{was} our closest
friends. We re-met in Windsor
(was Personnel Director at C.H.
Smith Store '47-'52) & she walked
in to buy drapery material in
'51. We have been a foursome
ever since, even tho' we moved

5.

to Mass. in '56. last summer
we had two of her 6 girls at
Cape Cod with her only child
(adopted & named after Joan)
and took them over to see Miss
Somers. Maurine's eldest Panny⁽¹⁹⁾
has just finished her 1st year
at Western U. & gone to work in
Switzerland for 3 mths. Molly
(#2) has spent the past year
taking Gr xiii in Neuchâtel &
in Sixty. Bill, the only boy is 15,
Beth is nearly 13, Sam is 11,
the next little one is & has been
all her life in a hospital (as is
one of Patty's children) and
